

Perfect for installations where space is limited

Introducing the Blue Lagoon Tech UV-C: the perfect solution for limited spaces that require high disinfection efficiency. Compact and powerful, the Tech UV-C is designed to provide an environmentally-friendly solution for your swimming pool water disinfection needs.

Easy to install and maintain

Besides the fact that the Blue Lagoon Tech UV-C device is very efficient and powerful, it is also easy to install and maintain. The housing is made of 316L stainless steel and comes with \emptyset 63mm to \emptyset 50mm fittings and $1\frac{1}{2}$ " female threaded connections.

Advantages of the Blue Lagoon Tech UV-C

- A built-in electronic ballast to ensure an efficient and stable power supply
- 316L stainless steel housing
- Up to 35% more UV-C yield as a result of reflection by the stainless steel housing
- Easy to install and easy to maintain
- Including adapters Ø 63mm to Ø 50mm, 1½" female threaded
- Made in the Netherlands
